

Minot Sleeper Library
Bristol, NH
Board of Trustees Special Meeting
Thursday, September 2, 2021

Present: Rosemary D'Arcy, Martha Hulsman, Kathleen Haskell, Travis Kelley,
Nancy Spears, Lucille Keegan and Karen Boyd (via zoom)
Brittany Overton, Library Director
Absent; Nancy Dowey, Tom Kaempfer

Rosemary called the meeting to order at 6 PM

The purpose of this special meeting is to decide whether or not to require masks be worn in the library during this time of high Covid rate in the Bristol area.

Nancy Spears moved and Martha Hulsman seconded.

Motion: The Trustees of the Minot Sleeper Library agree to return to a mask requirement in order to protect the health of our patrons and staff and to avoid closing the library. This order applies to everyone, vaccinated and unvaccinated. The vote was unanimous for those present.

When the local Covid rate decreases significantly we will revisit this decision. Curbside service remains available for patrons that do not wish to wear a mask in the library.

Other business:

It was decided not to contract with a pest control company at this time. We will monitor the wasp situation. The opinion was voiced that perhaps the Town should have a contract with a pest control company that would cover all Town buildings.

Nancy S. moved to adjourn at 6:30, Travis seconded and the meeting adjourned.
