Friday, 7/19 @2pm - Microsoft Excel Basics
Thursday, 7/25 @ 3pm -Intro to Computers
Friday, 7/26 @2pm - Microsoft Excel Advanced

Children

- Newfound Memorial Middle School contacted us to let us know that they would like to donate the proceeds from their "Bear Crawl" run to the library this year, specifically for the purchase of new children's books. The run was today, 6/10. They will be sending over a couple of students to present us the check this Wednesday.
- "Dig Into Reading" Summer Reading Program will meet Wednesdays, at 10am starting on 6/26 with kickoff performer Keith Munslow at the TTCC.
- TTCC will be bringing 2 groups of camp kids to the library for storytime throughout the summer 6/18-8/6. Tuesdays, 12:30-1:30pm
- Lapsit will run on Mondays at 10am throughout the summer, taking a break in August and will resume again in September. We are still averaging 25-30 attendees (parents + babies) for each session!

Staff

- Beth Benton started her internship at the library on Friday, 6/7. She will be coming in M, T, F 3:30-5:30pm until 7/22.
- Reminder - Sharon will be leaving at 1pm on 6/12 and will return on 6/17

Meeting Room

Used in the Last Month By:

- Newfound Regional High School
- NH Taxpayers Association
- NH Historical Society
- Girl Scouts
- U.S. Marines

Tech Stuff

- Brackley gave me his permission to use his drawing of the library to use as our header on the website
- One of our patron computers has died. After checking all of the usual culprits (loose connections, bad RAM, loose heat sink, etc) I've come to the conclusion that it must be a bad motherboard. Unfortunately it is no longer under warranty, but we can get a discount on another and keep the dead one for parts.
 - Since we did not pay to renew our contract with the computer company, I can take some money out of that line without negatively affecting the bottom line (Even with the phone over budget)

Odds & Ends

- Library will be closed on Thursday, 7/4
- The NH State flag that we received at our Grand Opening is larger than I had expected (3ft x 5ft) and I haven't been able to find a frame for it. Take it to a framer or other ideas?
