5. Old Business

- Solar: the rebate is still in the works and should arrive in about 6 weeks. There continues to be discussion with the town as to how the money from The REC’s will be handled. The town could hold the money in a trust for the Library Trustees. The idea is to create a fund to cover any costs for repair or upgrade of the system.

- Appreciation lunch: Sharon spoke to the Friends and set a date for Oct. 17 from 10-12 for a brunch. Sharon recommended that the food be purchased from the local Shop n’ Save and a small gift from the Mill Fudge Factory. *Wendy made a motion to authorize Sharon to spend up to $350 for the luncheon. Barbara seconded and the motion was approved.*

- Slates: About $300 worth have been old. Sharon has put them away and will bring them out again near Christmas.

- Operating budget: Roger presented a preliminary budget proposal. Sharon suggested we add money for an extra library page. This would be for a period of 39 weeks for a total of $2,065 plus FICA. The finance committee will meet to fine tune the presentation for the budget committee. Sharon presented statistics on increased use of the library which make it very clear why addition funds are needed in some areas of the budget.

- Library table restoration: Peter Brown is waiting for a price on the leather.

New business:

- Lucille set a date for basement cleanup on September 17 at 10 AM. Rosemary and Ann volunteered to help.

- Next meeting will be Tuesday Oct. 15 at 4 PM (changed to Tuesday due to Monday holiday).
